

POST-EVENT REPORT

Recycling Week 2026

Revitalizing the 3Rs – Reduce, Reuse, Recycle

22–23 June 2026 · Courtyard by Marriott, Basel, Switzerland

Hosted by The People Events

INTRODUCTION

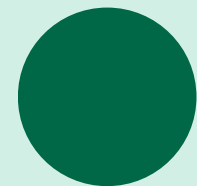

Welcome to Recycling Week 2026

Recycling Week 2026 brought together global leaders, innovators, and practitioners to advance the circular economy agenda. Over two intensive days in Basel, Switzerland, the event delivered a comprehensive programme of keynote addresses, technical presentations, and high-level panel discussions — all centred on revitalising Reduce, Reuse, and Recycle for a sustainable future.
